

## **E-Learning Netherland Defense Academy: An overview.**

Presentation type: Round Table

### Abstract

The presentation will provide an overview of e-learning ideas and developments within the Netherlands Defense Organisation (brief) and more specific within the Netherlands Defense Academy. Initiatives at the Royal Military Academy, the Royal Naval Academy (both initial education to become an officer) and the Defense Institute for advanced courses (career development education). The presentation can provide a base for discussion between the various academies.
